The image shows three glass perfume bottles of varying sizes and colors. The bottle in the foreground is teal and contains a light blue liquid. Behind it is an orange bottle with orange liquid, and further back is a white bottle with white liquid. All bottles have a faceted glass design and a silver-colored cap. They are placed on a light-colored wooden surface. The background is blurred, showing more of the wooden surface and some greenery.

The image features three perfume bottles of different shapes and sizes, all containing a golden liquid. They are set against a solid gold background. The bottle on the left is rectangular with a clear cap and a label that reads 'Your Brand Name'. The other two bottles are taller and more slender, with silver-colored caps. A fine mist of perfume is being sprayed from the two taller bottles. The entire scene is reflected on a dark, polished surface at the bottom. Overlaid on the center of the image is the text 'LABEL PRINTING' and 'BRANDING' in a large, white, sans-serif font.
